

PAY YOUR RENT WITH CASH WHILE OUT RUNNING ERRANDS!

NEW PAYMENT OPTION AVAILABLE:

You have one more convenient option for paying your rent! We now accept cash payments made from 25,000 retail locations nationwide like Wal-Mart, Kmart and King Soopers. Pay your rent while out running errands! Here's how:

1. Obtain your unique account number and a list of the nearest payment locations from your property manager or click on the link below for a nearby location.
2. Visit the participating retailer's customer service counter and inform the agent you are there to make a bill pay to "PayLease Community Payments"
3. Provide the agent with your CashPay card and cash payment.
4. Collect a receipt and you're done!

It's as easy as
1, 2, 3...

Your payment will electronically be sent to your manager so there's no need to buy a stamp and mail your payment or stop by the drop box with your money order. It is safer and quicker than a money order and can't be lost. It also saves you time and gas. For any questions on this new payment method or to obtain your account number, contact your property manager: Josiah at 720-308-7636 or Todd at 720-308-7634.
